Re: City of Oneida – 2025 through 2026 Contract Extension – Liquid Chlorine and Sodium Hypochlorite

This letter is to express agreement by both parties (City of Oneida and Slack Chemical Co. Inc) to continue the current 2025 contract for Liquid Chlorine and Sodium Hypochlorite into year 2026, that is included in the 2025 Liquid Chlorine and Sodium Hypochlorite Contract. This agreement would assume the same rates and contract agreements utilized and agreed upon by both parties in the 2025 contract for year 2026.

The Liquid Chlorine and Sodium Hypochlorite Bid for the City of Oneida Water Department was advertised and opened on January 7, 2026, with no bids received. With the optional reason to extend agreements with the vendor utilized in year 2025.

Extension is pursuant to Common Council resolution. Please sign the designated space below expressing agreement in continuing the contract agreement into year 2026. Please let me know if there are any questions or concerns.

Sincerely,

Drew Campany
Water Superintendent
