OCTOBER MEETINGS

CITY MANAGER

Kyle Lovell

October is one of my favorite times of year in Oneida. The cooler weather, changing leaves, fall activities, and busy community calendar are all reminders of what makes our city such a special place to call home.

Behind the scenes, this is also an especially busy time for City government. As we enter the final months of 2026, our team is working hard to finish projects, prepare for winter, develop the 2027 City budget, and continue addressing some of the long-term challenges facing our community.

One of my primary focuses this fall is ensuring that we continue to provide dependable City services while also strengthening our financial position. Developing a responsible budget requires difficult decisions and a careful review of our operations, staffing, expenses, revenues, and priorities. My goal remains straightforward: protect the essential services our residents rely upon, invest responsibly in our infrastructure, and make sure we are building a sustainable financial foundation for the future.

At the same time, several major initiatives continue moving forward throughout Oneida. Downtown revitalization projects are progressing, infrastructure improvements remain underway, and we continue working on improvements to our parks, neighborhoods, water and wastewater systems, roads, sidewalks, and public spaces. Some of these projects take months or even years to complete, but each represents another piece of the larger effort to make Oneida stronger.

October also means our crews are making the transition from summer operations to winter preparation. Vehicles and equipment must be serviced, snow and ice operations prepared, facilities winterized, and countless other tasks completed before the first significant snowfall arrives. I want to thank our employees across every City department for the work they perform every day, much of which happens quietly and without recognition. Their dedication keeps Oneida running.

Finally, I encourage everyone to enjoy everything our community has to offer this fall. Support a local business, attend a community event, visit one of our parks, take a walk downtown, and enjoy the season with your family and neighbors.

There is a great deal of work ahead of us, but there is also a great deal to be optimistic about. We will continue approaching that work thoughtfully, responsibly, and with the long-term interests of Oneida at the center of every decision.

Have a safe and enjoyable October.

OUR HEROES

On Friday, September 11, 2026, City and government officials, staff, and community members came together in remembrance of those whose lives were lost on September 11, 2001, and to honor the courage, service, and sacrifice of our first responders.

Thank you to everyone who attended and participated in our 9/11 Remembrance Ceremony. Your presence helped make this meaningful event a special tribute as we came together as a community to honor and remember those whose lives were lost and forever changed on September 11, 2001.

Happy National Police Woman Day!

We are proud to recognize the four women currently serving with the Oneida City Police Department, representing the largest female officer presence in the department's history. With experience ranging from 20 years in law enforcement to officers just beginning their careers, each brings her own strengths, experience, and perspective while sharing the same dedication to protecting and serving the Oneida community. We are proud to have these four officers serving together and grateful for the professionalism, strength, and commitment they bring to our community every day. Thank you for your service!

Joining together to address
homelessness in the City of Oneida

The City of Oneida and Madison County are discussing the creation of a coordinated local homelessness task force. Led by Madison County as the primary agency for social and human services, the initiative partners with the city to unite local officials, law enforcement, healthcare providers, and shelter groups.

UPDATES TO FOLLOW

October

Fire Prevention Month

-Use space heaters safely: Keep heaters at least 3 feet away from furniture, curtains, bedding, and anything that can burn.

-Fireplace safety: Have your chimney and fireplace inspected.

-Watch Halloween decorations: Keep decorations away from heat sources, and choose flame-resistant or flame-retardant materials when possible.

-Charge electronics safely: Use the manufacturer's charger, avoid charging devices on beds or couches, and unplug chargers when appropriate.

-Keep exits clear: Don't block doors, windows, stairways, or other escape routes with seasonal decorations or storage.

-Prepare for colder weather: Before using furnaces or heating systems for the season, have them inspected and serviced as recommended.

Festival Fun

Join us October 3th, 11am-4 PM at Mott St. for games, treats, and festive fun!

October is Fire Prevention Month, and the City of Oneida reminds residents that fire safety begins at home. Take a few minutes to test smoke and carbon monoxide alarms, review your family's escape plan, and make sure everyone knows two ways out of each room. Simple precautions can help prevent fires and save lives. The City of Oneida encourages everyone to make fire safety a priority—not only this month, but throughout the year.

Safe Charging Is a **SUPERPOWER**

Charge into Fire Safety™

Safe charging means making smart choices every time you plug in. Everyday charging habits can help prevent lithium-ion battery fires.

Safe charging is a **SUPERPOWER!**

USE YOUR CHARGING SUPERPOWERS

CHEAP CHARGER? DON'T CHANCE IT.

Use the cord and charger that came with your device or one approved by the manufacturer.

Why it matters: Using the wrong charger can damage the battery and increase the chance of fire. Cheap or no-brand chargers may not meet important safety standards.

SOFT SURFACE? HARD PASS.

Charge on a hard, flat surface like a table, desk, or bare floor.

Why it matters: Devices and chargers create heat during normal charging. Soft surfaces like beds, pillows, and couches can trap heat and block airflow, which can cause a battery to overheat.

FEELS HOT? STOP USING IT.

Stop using your device if it feels very hot, starts to swell, smells strange, leaks, smokes, or makes popping or hissing sounds.

Why it matters: A damaged battery can overheat and start a fire.

FULLY CHARGED? TIME TO UNPLUG.

Unplug your device when it is fully charged.

Why it matters: Leaving a device plugged in can increase heat and stress on the battery.

FOR TOOLS AND RIDES, CHARGE OUTSIDE.

Charge large items like e-bikes, scooters, and power tools outside when possible. Do not block exits when charging.

Why it matters: These batteries are larger and store more energy. Fires can grow quickly if the battery fails.

OUT OF SIGHT? NOT IN FLIGHT.

When on a plane, keep devices where you can see them while charging. Do not charge e-cigarettes or vapes on the plane. Tell a flight attendant if you notice a problem with your device, such as if it feels very hot, starts to swell, is smoking, or has a strange smell.

Why it matters: If a battery overheats or fails, it is important for the flight crew to be able to respond quickly.

— Working smoke alarms and a home fire escape plan can help make a life-saving difference.

Come together with us to strengthen our faith, encourage one another, and find inspiration through life's challenges and triumphs. Our guest speakers will share powerful perspectives on overcoming the seemingly impossible and discovering how faith can shine a light during the times we need it most.

We invite you to join us for this special spiritual gathering as we celebrate the YMCA's Christian heritage and its continuing mission to strengthen individuals, families, and our community.

Proceeds from this event support the YMCA's financial assistance program, helping ensure that memberships and programs remain accessible to individuals and families in our community, regardless of their financial circumstances.

In the spirit of giving, attendees are also encouraged to bring a non-perishable food item or clothing donation for our local pantry. Together, even a small act of kindness can make a meaningful difference for a neighbor in need.

Dear Community Partner,

The Greater Oneida Chamber of Commerce is excited to announce the First Annual Oneida Haunted House, presented in partnership with the City of Oneida. This new community event is designed to bring families, residents, and visitors together while creating excitement for our local businesses during the fall season.

We invite you to become a sponsor of this exciting new tradition! Your sponsorship will help cover the costs of creating a safe, fun, and memorable Haunted House experience for our community. By partnering with us, you are investing not only in a new community tradition but also in the long-term success of our local businesses and future workforce.

Beyond supporting the event itself, your contribution also helps advance the Greater Oneida Chamber of Commerce's mission to strengthen our local business community.

Proceeds from sponsorships will allow the Chamber to:

- Support educational scholarships for local high school students.
- Pursue matching grant opportunities that expand resources for our business community.
- Provide educational programming, networking events, and professional development opportunities for local businesses.
- Continue initiatives that promote economic growth and community engagement throughout Greater Oneida.

Businesses and organizations that sponsor the Haunted House will receive recognition through event marketing, social media, and promotional materials at sponsorship levels outlined in the enclosed sponsorship information.

Together, we can create an unforgettable event while making a lasting impact on our community.

Sincerely,

Amy Fedchenko, Ph.D.

What a truly wonderful young man (Zy) is and someone who is special in so many ways. And mom (Tasha Ann), you should be proud, not only of him, but of yourself. Our youth are our future, and will be the ones to carry on the history and integrity of our city. From lemonade stands to free sandwiches, the lessons learned now will last for generations to come! Thank you Zy for helping others in need!

Who we are

Hi! We are the Joneses and we are the family behind the mobile treat cafe, Sweet & Twisted!

We are a husband, wife and daughter trio who are excited to bring you a little something different...sweet treats but with a TWIST!

these two are a little twisted

the sweet one

What we offer

Sweet & Twisted offers frozen yogurt, slushies, fruit parfaits and more. The TWIST is, nothing we serve has artificial dyes, so your fruit punch slushie might look unusual because it is clear, but it tastes delicious.

Even our sprinkles, sauces and cones are made with natural ingredients.

We also use eco friendly packaging items so when your cup is empty, it will compost in the waste.

Where we are located

Sweet & Twisted is permitted in Madison County (Oneida County soon) and you can view our website at www.sweetandtwisted.com and check out where we will be serving up treats!

Orange Dreamsicle Slushie with real whipped cream. It's a frosty clear color because it has no artificial dyes! Served in a compostable cup with a never soggy agave pulp straw!

Our frozen yogurt is made with only 8 ingredients. It has prebiotics, probiotics and is a super tasty low calorie treat.

USAA NATIONAL MILITARY MONUMENT

The monument screens emulating stone, carry the names of the more than 41 million U.S. service members who have answered the call across America's 250-year history and is presented as an expression of gratitude, duty and enduring commitment to those who have worn the uniform, and to the families who have served alongside them.

The monument stands before the Lincoln Memorial and Reflecting Pool on the National Mall.

Need help with food, housing, or rides?

If you have Medicaid, we want to help.

Every person with Medicaid can get a free “check-in”. This is a quick talk to see if you qualify for extra help in your community.

The first step is telling us a little about yourself.
