## STATE OF NEW YORK CONTRACT FOR GRANTS

This State of New York Contract for Grants, including all attachments and appendices (hereinafter referred to as “Contract” or “Agreement”), is hereby made by and between the State of New York acting by and through the applicable State Agency (State or Agency) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

### WITNESSETH:

**WHEREAS**, the State has the authority to regulate and provide funding for the operation of a program or performance of a service; and desires to contract with a responsive and responsible Contractor possessing the necessary resources to provide such services or work; and

**WHEREAS**, the Contractor is ready, willing, and able to provide such services or work and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to and in compliance with the terms of the Contract, specifications outlined in the grant solicitation, resulting award, and other associated documents comprising the Agreement.

**NOW THEREFORE**, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree to as follows:

### STANDARD TERMS AND CONDITIONS

#### I. GENERAL PROVISIONS

**A. Order of Precedence:** In the event of a conflict among (i) the terms of the Contract or (ii) between the terms of the Contract and the original request for proposal, solicitation document, the program application or other documentation that was completed and executed by the Contractor in connection with a grant award, the order of precedence is as follows:

1. Appendix A – Standard Clauses for New York State Contracts
2. Contract for Grants Standard Terms and Conditions
3. Modifications to the Face Page
4. Modifications to Attachment A-2: Program Specific Terms and Conditions; Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws (modifications not required by the Federal government)<sup>1</sup>, Attachment B: Budget, Attachment C: Work Plan, and Attachment D: Payment and Reporting
5. The Face Page
6. Attachment A-2: Program Specific Terms and Conditions, Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws, Attachment B: Budget, Attachment C: Work Plan; and Attachment D: Payment and Reporting
7. Modifications to Attachment A-1: Agency Specific Terms and Conditions
8. Attachment A-1: Agency Specific Terms and Conditions
9. Other attachments, including, but not limited to, the request for proposal or program application, if incorporated by reference on the Face Page

The documents above, collectively, comprise the entire Agreement and govern the program for the entirety of the term of the Contract and any resulting renewals.

<sup>1</sup> For modifications required by the Federal government see Section I(M).

**B. Funding:** Funding for the term of the Contract shall not exceed the amount specified as “Contract Funding Amount” on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

**C. Contract Performance:** The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Contract to the satisfaction of the State. The Contractor shall provide services or work, as applicable, and meet the program objectives summarized in Attachment C (Work Plan) in accordance with the provisions of the Contract, relevant laws, rules and regulations, administrative, program and fiscal guidelines, and where applicable, operating certificate for facilities or licenses for an activity or program.

**D. Modifications:** Any modifications to this Agreement, including any budgetary changes, must be mutually agreed to in writing by both parties and be reflected on the Face Page where such terms are modified. Modifications may be subject to the approval of the AG and OSC in accordance with Appendix A, Section 3, Comptroller's Approval. A modification that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such Contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a proportion of the total value of the Contract, equal to or greater than ten percent for contracts of five million dollars or less, or five percent for contracts of more than five million dollars. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Contract.

**E. Severability:** Any provision of the Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Contract shall attempt in good faith to reform the Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

**F. Interpretation:** The headings in the Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered gender neutral. The Contract has been made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

**G. Notice:** All Notices under this Contract, including termination notices, shall be made in writing and directed to the representatives identified herein, or their designees and shall be transmitted by: a) certified or registered United States mail, return receipt requested; b) facsimile transmission; c) personal delivery; d) expedited delivery service; and/or e) e-mail. Notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.

The parties may, on written notice, designate other individuals as their representatives. Such representatives shall request, oversee, supervise, and accept performance of services provided by the Contractor and shall receive any required submissions. Whenever an action is to be taken, or approval for services given by the Agency, such action or approval may be given only by the representatives designated pursuant to this Section.

**H. Indemnification:** The Contractor shall be solely responsible and answerable in damages for all accidents, incidents, and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages, and cost of every nature arising out of the provision of services pursuant to the Contract.

**I. Legal Action:** No litigation or regulatory action shall be brought against the State of New York, the State Agency, or against any county or other local government entity with funds provided under the Contract. The term “litigation” shall include commencing or threatening to commence a lawsuit, joining, or threatening to join as a party to ongoing litigation, or requesting any relief from the State of New York, the State Agency, or any

county, or other local government entity. The term “regulatory action” shall include commencing or threatening to commence a regulatory proceeding or requesting any regulatory relief from the State of New York, the State Agency, or any county, or other local government entity.

**J. Partisan Political Activity and Lobbying:** Funds provided pursuant to the Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.

**K. Reporting Fraud and Abuse:** Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste, and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections and will comply with requirements therein.

**L. Reporting Risks to Performance:** If any specific event, conjunction of circumstances, or any occurrence involving the staff, volunteers, directors, officers, subcontractors, or program participants of the Contractor threatens the successful completion of this project, in whole or in part, the Contractor agrees to notify the State Agency within three (3) calendar days of becoming aware of the occurrence describing the occurrence and the risk it poses to performance under the Contract. The Contractor’s notice shall include a written description of the event and a recommended solution. Such events may include, but not be limited to, death or serious injury, an arrest or possible criminal activity.

**M. Federally Funded Grants and Requirements Mandated by Federal Laws:** All the Specific Federal requirements that are applicable to the Contract are identified in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto. To the extent that the Contract is funded, in whole or part, with Federal funds or mandated by Federal laws: (i) the provisions of the Contract that conflict with Federal rules, Federal regulations, or Federal program specific requirements shall not apply and (ii) to the extent that the modifications to Attachment A-3 are required by Federal requirements and conflict with other provisions of the Contract, the modifications to Attachment A-3 shall supersede all other provisions of this Contract; and (iii) the Contractor agrees to comply with all applicable Federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto.

#### **N. Renewal:**

**1. General Renewal:** The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a “Simplified Renewal Contract”). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.

**2. Renewal Notice to Not-for-Profit Contractors:** The Contract, as specified herein, may consist of successive periods on the same terms and condition referred to as a “Simplified Renewal Contract.” Each additional or superseding period shall be on the forms specified by the State and shall be incorporated into the Contract. Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State’s intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation, than thirty (30) calendar days after the appropriation becomes law, whichever is later. Notwithstanding the foregoing, in the event the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State (“Unusual Circumstances”), no payment of interest shall be due to the Contractor. For purposes of State Finance Law §179-t, “Unusual Circumstances” shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance. Notification to the Contractor of the State’s intent to not renew the Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the Contractor of its intent not to renew the Contract as required in this Section and State Finance Law §179-t, the Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Contract.

## II. TERMINATION AND SUSPENSION

### A. Termination:

#### 1. Grounds:

- a) Mutual Consent: The Contract may be terminated at any time upon mutual written consent of the State and the Contractor.
- b) Cause: The State may terminate the Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Contract and/or any applicable laws, rules, regulations, policies, or procedures. If the termination for cause results from unsatisfactory performance by the Contractor, the value of the work performed by the Contractor prior to termination shall be established by the State.
- c) Non-Responsibility: Upon written notice to the Contractor, and a reasonable opportunity to be heard by the appropriate State officials or staff, this Contract may be terminated by the State at the Contractor's expense where the Contractor is determined by the State to be non-responsible. In such event, the State may complete contractual requirements in any manner it deems advisable and pursue available legal or equitable remedies for breach.
- d) Convenience: The State may terminate the Contract in its sole discretion upon thirty (30) calendar days prior written notice.
- e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency or entity entering into the Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Contract, the Contract may be terminated or reduced at the State Agency's discretion. No reduction or termination shall apply to allowable costs already incurred by the Contractor whereby funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.
- f) Force Majeure: Performance under the Contract may be terminated or suspended by the State immediately upon the occurrence of a "force majeure" event. For purposes of the Contract, "Force majeure" shall include, but not be limited to, natural disasters, war, rebellion, declared pandemics, insurrection, riot, strikes, lockout, and any unforeseen circumstances and acts beyond the control of the parties which render the performance of contractual obligations impossible.

#### 2. Effect of Notice and Termination on State's Payment Obligations:

Upon receipt of notice of termination provided pursuant to the notice requirements prescribed in this Agreement, the Contractor shall stop work immediately and complete only those specific assignments and/or obligations, if any, subsequently approved by the State. In the event of termination other than for cause, the Contractor shall be entitled to compensation for services performed through the date of termination that are accepted by the State, and for any subsequent services that are accepted by the State, rendered in connection with any successor consultants and contractors, including transfer of records, briefing and any other services deemed necessary or desirable by the State. The Contractor agrees to cooperate to the fullest respect with any successor consultants and contractors.

#### 3. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real

property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require: a) repayment to the State of any monies previously paid to the Contractor; b) return of any real property or equipment purchased under the terms of the Contract; or c) an appropriate combination of clauses (a) and (b) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

#### **4. Suspension:**

The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given formal written notice outlining the specific details of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

### **III. ADDITIONAL OBLIGATIONS, REPRESENTATIONS AND WARRANTIES**

#### **A. Contractor as an Independent Contractor/Employees:**

1. The State and the Contractor agree that the Contractor is an independent contractor, and not an employee of the State and may neither hold itself out nor claim to be an officer, employee, or subdivision of the State nor make any claim, demand, or application to or for any right based upon any different status. Notwithstanding the foregoing, the State and the Contractor agree that if the Contractor is a New York State municipality, the Contractor shall be permitted to hold itself out, and claim, to be a subdivision of the State.

The Contractor shall be solely responsible for the recruitment, hiring, provision of employment benefits, payment of salaries and management of its project personnel. These functions shall be carried out in accordance with the provisions of the Contract, and all applicable Federal and State laws and regulations.

2. The Contractor warrants that it, its staff, and any and all subcontractors have all the necessary licenses, approvals, and certifications currently required by the laws of any applicable local, state, or Federal government to perform the services or work, as applicable, pursuant to the Contract and/or any subcontract entered into under the Contract. The Contractor further agrees that such required licenses, approvals, and certificates shall be kept in full force and effect during the term of the Contract, or any extension thereof, and to secure any new licenses, approvals, or certificates within the required time frames and/or to require its staff and subcontractors to obtain the requisite licenses, approvals, or certificates. In the event the Contractor, its staff, and/or subcontractors are notified of a denial or revocation of any license, approval, or certification to perform the services or work, as applicable, under the Contract, Contractor shall immediately notify the State.

#### **B. Subcontractors:**

1. If the Contractor enters into subcontracts for the performance of work pursuant to the Contract, the Contractor shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the State under the Contract. No contractual relationship shall be deemed to exist between the subcontractor and the State.

2. If requested by the State, the Contractor agrees not to enter into any subcontracts, or revisions to subcontracts, that are in excess of \$100,000 for the performance of the obligations contained herein until it has received the prior written permission of the State, which shall have the right to review and approve each and every subcontract in excess of \$100,000 prior to giving written permission to the Contractor to enter into the subcontract. All agreements between the Contractor and subcontractors shall be by written contract, signed by individuals authorized to bind the parties. All such subcontracts shall contain provisions for specifying (1) that the work performed by the subcontractor must be in accordance with the

terms of the Contract, (2) that nothing contained in the subcontract shall impair the rights of the State under the Contract, and (3) that nothing contained in the subcontract, nor under the Contract, shall be deemed to create any contractual relationship between the subcontractor and the State. In addition, subcontracts shall contain any other provisions which are required to be included in subcontracts pursuant to the terms herein.

3. If requested by the State, the Contractor agrees to require the subcontractor to provide to the State the information the State needs to determine whether a proposed subcontractor is a responsible vendor.

4. When a subcontract equals or exceeds \$100,000, the subcontractor shall submit a Vendor Responsibility Questionnaire (Questionnaire).

5. If requested by the State, upon the execution of a subcontract, the Contractor shall provide detailed subcontract information (a copy of subcontract will suffice) to the State within fifteen (15) calendar days after execution. The State may request from the Contractor copies of subcontracts between a subcontractor and its subcontractor.

6. The Contractor shall require any and all subcontractors to submit to the Contractor all financial claims for Services or work to the State agency, as applicable, rendered and required supporting documentation and reports as necessary to permit Contractor to meet claim deadlines and documentation requirements as established in Attachment D (Payment and Reporting). Subcontractors shall be paid by the Contractor on a timely basis after submitting the required reports and vouchers for reimbursement of services or work, as applicable. Subcontractors shall be informed by the Contractor of the possibility of non-payment or rejection by the Contractor of claims that do not contain the required information, and/or are not received by the Contractor by said due date.

#### **C. Use of Material, Equipment, Or Personnel:**

1. The Contractor shall not use materials, equipment, or personnel paid for under the Contract for any activity other than those provided for under the Contract, except with the State's prior written permission.

2. Any interest accrued on funds paid to the Contractor by the State shall be deemed to be the property of the State and shall either be credited to the State at the close-out of the Contract or, upon the written permission of the State, shall be expended on additional services or work, as applicable, provided for under the Contract.

#### **D. Property:**

1. For the purposes of the Contract, "Property" is defined as real property, equipment, or tangible personal property having a useful life of more than one year and an acquisition cost of \$1,000 or more per unit. For Federally funded contracts, if there is any conflict in the definition of "Property" the federal awarding Agency definitions will apply.

a) If an item of Property required by the Contractor is available as surplus to the State, the State at its sole discretion, may arrange to provide such Property to the Contractor in lieu of the purchase of such Property. Such Property shall be returned to the State at the Contractor's cost and expense upon the expiration of the Contract unless the State consents in writing to the Contractor retaining possession of the Property to use for similar purposes.

b) In addition, the Contractor agrees to permit the State to inspect the Property and to monitor its use at reasonable intervals during the Contractor's regular business hours.

c) The Contractor shall be responsible for maintaining and repairing Property purchased or procured under the Contract at its own cost and expense. The Contractor shall procure and maintain insurance at its own cost and expense in an amount satisfactory to the State Agency, naming the State Agency as an additional insured, covering the loss, theft, or destruction of such equipment. The Contractor may not charge rental or use fees under this Contract for use or acquisition of Property to carry out its obligations under the Contract.

d) The State has the right to review and approve in writing any new contract for the purchase of or lease for rental of Property (Purchase/Lease Contract) operated in connection with the provision of the services or work as specified in the Contract, if applicable, and any modifications, amendments, or extensions of an existing lease or purchase prior to its execution. If, in its discretion, the State disapproves of any Purchase/Lease Contract, then the State shall not be obligated to make any payments for such Property.

e) No member, officer, director, or employee of the Contractor shall retain or acquire any interest, direct or indirect, in any Property, paid for with funds under the Contract, nor retain any interest, direct or indirect, in such, without full and complete prior disclosure of such interest and the date of acquisition thereof, in writing to the Contractor and the State.

2. For non-Federally funded contracts, unless otherwise provided herein, the State shall have the following rights to Property purchased with funds provided under the Contract:

a) For cost-reimbursable contracts, all right, title and interest in Property with a remaining useful life shall belong to the State unless otherwise agreed to, in writing, by the State and the Contractor. However, upon agreement by the State, title shall pass to Contractor upon the end of the Property's useful life (as the phrase "useful life" is defined in Internal Revenue Code § 1.169- 2).

b) For performance-based contracts, all right, title and interest in such Property shall belong to the Contractor.

3. For Federally funded contracts, title to Property whose requisition cost is borne in whole or in part by monies provided under the Contract shall be governed by the terms and conditions of Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws).

4. The Contractor shall maintain an inventory of all Property that is owned by the State and obtained by the Contractor under this Agreement.

5. The Contractor shall execute any documents which the State may reasonably require to effectuate the provisions of this section.

## **E. Records and Audits:**

### **1. General:**

a) The Contractor shall establish and maintain, in paper or electronic format, complete and accurate books, records, documents, receipts, accounts, and other evidence directly pertinent to its performance under the Contract (collectively, Records).

b) The Contractor agrees to produce and retain for the balance of the term of the Contract, and for a period of six years from the later of the date of (i) the Contract and (ii) the most recent renewal of the Contract, any and all Records necessary to substantiate upon audit, the proper deposit and expenditure of funds received under the Contract. Such Records may include, but not be limited to, original books of entry (e.g., cash disbursements and cash receipts journal), and the following specific records (as applicable) to substantiate the types of expenditures noted:

(i) personal service expenditures: cancelled checks and the related bank statements, time and attendance records, payroll journals, cash and check disbursement records including copies of money orders and the like, vouchers and invoices, records of contract labor, any and all records listing payroll and the money value of non-cash advantages provided to employees, time cards, work schedules and logs, employee personal history folders, detailed and general ledgers, sales records, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.

(ii) payroll taxes and fringe benefits: cancelled checks, copies of related bank statements, cash

and check disbursement records including copies of money orders and the like, invoices for fringe benefit expenses, miscellaneous reports and returns (tax and otherwise), and cost allocation plans, if applicable.

(iii) non-personal services expenditures: original invoices/receipts, cancelled checks and related bank statements, consultant agreements, leases, and cost allocation plans, if applicable.

(iv) receipt and deposit of advance and reimbursements: itemized bank stamped deposit slips, and a copy of the related bank statements.

c) The OSC, AG and any other person or entity authorized to conduct an examination, as well as the State Agency or State Agencies involved in the Contract that provided funding, shall have access to the Records during the hours of 9:00 a.m. until 5:00 p.m., Monday through Friday (excluding State recognized holidays), at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying.

d) The State shall protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records, as exempt under Section 87 of the Public Officers Law, is reasonable.

e) Nothing contained herein shall diminish, or in any way adversely affect, the State's rights in connection with its audit and investigatory authority or the State's rights in connection with discovery in any pending or future litigation.

#### **F. Confidentiality:**

1. Contractor agrees that it will not use confidential, personally identifiable information relating to individuals who may receive services, or proprietary information disclosed to Contractor in connection with the services or work ("Confidential Information") for any purpose other than in connection with the services or work and in compliance with all applicable provisions of State and federal law. The Contractor is fully responsible for its staff, its subcontractor(s), and any subcontractor's staff with regard to Confidential Information and shall ensure that they meet all obligations with respect to maintaining the confidentiality and security of any information deemed confidential.

2. Information which falls into any of the following categories shall not be considered Confidential Information: a) information that is previously rightfully known to the Contractor without restriction on disclosure; b) information that becomes, from no breach of the Contract on the part of the Contractor, generally known in the relevant industry, or is otherwise publicly available; and c) information that is independently developed by Contractor without use of the Confidential Information.

3. Except as specifically permitted in this Agreement, Contractor shall not, at any time, in any fashion, form or manner, divulge, disclose, communicate, or use, any Confidential Information other than in connection with the services or as otherwise provided herein.

4. Contractor may disclose Confidential Information if such information is required to be disclosed by Contractor by any law, rule, regulation, judicial or administrative process or applicable professional standards, provided that, to the extent permitted by applicable law or regulation, the Contractor notifies the State prior to any such required disclosure.

5. Contractor agrees that, as between the Parties, all Confidential Information in its possession obtained in connection with the services or work hereunder is at all times the sole property of the State.

6. Where allowable by law and agreed to by the State, Contractor may retain one copy of the Confidential Information and any summaries, analyses, notes, or extracts prepared by Contractor which are based on or

contain portions of the Confidential Information evidencing its services or work for the State as required by law, regulation, professional standards, or reasonable business practice.

7. In protecting the Confidential Information, Contractor shall exercise the same standard of care used by Contractor to protect its own confidential and proprietary information, to prevent the disclosure of Confidential Information to any third party. Contractor shall not use Confidential Information for any purpose other than in furtherance of its services or work for the State.

#### **G. Publicity:**

1. Publicity regarding the work, services, performance, and/or project governed by this Agreement may not be released without prior written approval from the State. For the purposes of this Agreement, "Publicity" includes, but is not limited to: news conferences; news releases; public announcements; advertising; brochures; reports; discussions or presentations at conferences or meetings; and/or the inclusion of State materials, the State's name, or other such references to the State in any document or forum.

2. Any Publicity, publications, presentations or announcements of conferences, meetings or trainings which are funded in whole or in part through any activity supported under the Contract may not be published, presented or announced without prior written approval of the State. Any such publication, presentation or announcement shall:

a) Acknowledge the support of the State of New York and, if funded with Federal funds, the applicable Federal funding agency; and

b) State that the opinions, results, findings and/or interpretations of data contained therein are the responsibility of the Contractor and do not necessarily represent the opinions, interpretations, or policy of the State or if funded with Federal funds, the State and the applicable Federal funding agency.

3. Notwithstanding the above, (i) if the Contractor is an educational research institution, the Contractor may, for scholarly or academic purposes, use, present, discuss, report or publish any material, data or analyses, other than Confidential Information, that derives from activity under the Contract and the Contractor agrees to use best efforts to provide copies of any manuscripts arising from Contractor's performance under this Contract, or if requested by the State, the Contractor shall provide the State with a thirty (30) calendar day period in which to review each manuscript for compliance with Confidential Information requirements prior to publication; or (ii) if the Contractor is not an educational research institution, the Contractor may submit for publication, scholarly or academic publications that derive from activity under the Contract (but are not deliverable under the Contract), provided that the Contractor first submits such manuscripts to the State forty-five (45) calendar days prior to submission for consideration by a publisher in order for the State to review the manuscript for compliance with confidentiality requirements and restrictions and to make such other comments as the State deems appropriate. All derivative publications shall follow the same acknowledgments and disclaimer as described in Section III (F)(2) (Publicity) hereof.

#### **H. Web-Based Applications-Accessibility:**

## **STANDARD CLAUSES FOR NYS CONTRACTS**

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, “the contract” or “this contract”) agree to be bound by the following clauses which are hereby made a part of the contract (the word “Contractor” herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

**1. EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

**2. NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State’s previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller’s approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor’s business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State’s prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

**3. COMPTROLLER’S APPROVAL.** In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller’s approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller’s approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

**4. WORKERS’ COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers’ Compensation Law.

**5. NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section

239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

**6. WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3- a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

**7. NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

**8. INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

**9. SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

**10. RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

**11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.** (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property

must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

**12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.** In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "(a), (b) and (c)" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section

312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

**13. CONFLICTING TERMS.** In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

**16. NO ARBITRATION.** Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

**17. SERVICE OF PROCESS.** In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

**18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS.** The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. - (d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

**21. RECIPROCITY AND SANCTIONS PROVISIONS.** Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

**22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS.** Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

**23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW.** If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

**24. PROCUREMENT LOBBYING.** To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

**25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY**

**CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.** To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

**26. IRAN DIVESTMENT ACT.** By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

**27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT.** Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

The Claim for Payment form with an original signature and all supporting documentation described in the Claim for Payment Instruction Guide must be uploaded in eGrants in the attachments section of the claim. The claim for payment reimbursement request must be submitted through the eGrants system with all required documentation by the due dates listed in the Attachment D (Payment and Reporting) section of this contract.

The deadline for submitting a final claim for payment reimbursement request for all costs incurred during the grant year, October 1 to September 30, is October 30. The claim for payment reimbursement request must be submitted through the eGrants system, **and** the signed and dated Claim for Payment form with supporting documentation must be uploaded in eGrants in the attachment section of the claim by October 30. The National Highway Traffic Safety Administration (NHTSA) will not reimburse late claims. While we do not intend that costs go un-reimbursed, grantees must claim costs promptly or be subject to non-reimbursement.

Reimbursement and documentation requirements are outlined in the GTSC's Claim for Payment Instruction Guide, which is available on the New York State Governor's Traffic Safety Committee website at <https://trafficsafety.ny.gov/highway-safety-grant-program>. Contractors must read this instruction guide prior to initiating grant activity.

Items mentioned in the Attachment C (Work Plan Summary) section of this contract are not eligible for reimbursement unless they are listed and approved in the Attachment B-1 (Expenditure Based Budget Summary) section of this contract.

Items approved in the budget should be ordered by July 31 and must be received by September 30.

Equipment that costs \$10,000 or more per item needs **prior** written approval from the GTSC and the NHTSA. The item being approved in the grant does not mean it has been approved by the NHTSA. You must contact the GTSC to obtain the written approval **before** the item is purchased.

All Educational materials developed for this project must have prior written approval from the GTSC for content and text or be subject to non-reimbursement. Educational materials should include the following acknowledgement: "Funded by the National Highway Traffic Safety Administration with a grant from the New York State Governor's Traffic Safety Committee". The information provided in these materials must be directly related to the initiatives approved in the grant and the materials, including the content and text, must be pre-approved every year, regardless of whether they have been approved in the past.

**REPORTING** - The Attachment D (Payment and Reporting) section of this contract outlines the reporting requirements for this project. If an agency did not conduct grant funded activity during the reporting period, a progress report stating so is still required. Progress reports are submitted through the eGrants system. The GTSC may request agencies to participate in special enforcement activities or statewide mobilizations and may provide a format to report these activities outside of the regular reporting format. This reporting would be in **addition** to the reports outlined in Attachment D.

The Buckle Up New York (BUNY), Click It or Ticket (CIOT) seat belt enforcement mobilization report is due on June 15, 2025, two weeks after the conclusion of the Click It or Ticket seat belt enforcement mobilization. Claims for payment for Click It or Ticket enforcement cannot be submitted in eGrants until the associated progress report is submitted.

**MONITORING** - The GTSC has the right to conduct on-site monitoring of grant funded projects, during the project period or within 3 years after the end of the project period. The GTSC staff will schedule on-site visits at the mutual convenience of the GTSC and the project director or designee.

Contracts are for a one year period.

### **POLICE TRAFFIC SERVICES GRANT PROGRAM CONDITIONS:**

The contractor must provide GTSC occupant protection roll-call training materials to all patrol officers working on grant related activities for them to review. For a copy of the training materials, contact the Governor's Traffic Safety Committee at [gtsc@dmv.ny.gov](mailto:gtsc@dmv.ny.gov).

Participation in the Buckle Up New York (BUNY), "Click It or Ticket (CIOT)" seat belt enforcement mobilization campaign is a requirement of the Police Traffic Services grant program. Lack of participation will result in the end of funding for the remainder of the grant year.

During the two-week Buckle Up New York (BUNY), "Click It or Ticket (CIOT)" seat belt enforcement mobilization campaign, grant funding can **only** be used to conduct occupant restraint enforcement.

Contractors are expected to enforce seat belt and child restraint laws throughout the grant cycle.

GTSC funding may **NOT** be used for the following types of enforcement:

This does not preclude a contractor whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

#### **Instructions for Primary Certification**

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below and agrees to comply with the requirements of 2 CFR parts 180 and 1200.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default or may pursue suspension or debarment.

The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

8. In the space below, provide information about your planned seat belt enforcement operations, such as locations to be used, tactics, creative approaches, etc.

**The Oneida city Police Department plans to set multiple dates for at least one to four officers to work together to enforce seatbelt laws. The Oneida police will stage one to two officers in unmarked units working as spotters to call out violations they observe to a marked patrol unit. Those marked units will affect the traffic stop and issue Citations, as well as educate the Driver of safe driving habits. The Oneida city police will further utilize roving and stationary patrols to observe, seatbelt violations and additional potential traffic law violations.**

**Officers will target high traffic state highways such as Lennox Avenue (St. Rt. 365A), Main Street (St. Rt. 46), and Genesee Street (St. Rt. 5).**

**The Oneida police will further set traffic safety checkpoints in these locations as well with one designated spotter on each end of the checkpoint to advise the marked units at the checkpoint of the violations they observe. The Officers staged at the checkpoint will hand out educational printed materials to educate drivers on safe habits, as well as issue citations for observed violations. The Oneida Police Department believes handing out educational printed materials can greatly decrease potential future accidents that may be caused by distracted, driving and unsafe operation of motor vehicles.**

## **REGULAR PTS**

### **Location 1**

- 1. Please name/identify the specific location where crashes are occurring in your jurisdiction. Provide details. A location could be any crash hotspot within your jurisdiction like an intersection or corridor. Parking lots and special events are not acceptable locations. If you are unclear about whether your location qualifies, please contact your Highway Safety Program Representative for guidance.**

Between October 1, 2022 and September 30, 2023, 87 of the City's reportable crashes (27.9%) occurred on Genesee Street (State Route 5). For the focus of this data report, 51 of those crashes (16%) occurred in my first target zone between Hubbard Place, and Seneca Street. 11 of those crashes (3.5%) involved injuries. Majority of this section of Genesee Street is straight and level, with the exception of a small hill between Sayles Street and Seneca Street and another gradual hill from Deerfield Dr. to Upper Lenox Ave (State Rt. 365A). It consists of only two lanes, with one traveling eastbound and the other going westbound. At the intersection of Genesee Street and Upper Lenox Avenue, there are additional left turn lanes in both the eastbound and westbound lanes for motorists to turn onto Upper Lenox Avenue, north and southbound. Location #1 is approximately 2.09 miles in length and is a posted 35 MPH for approximately half of the distance and 45 MPH in the western half. A large portion of this area of Genesee Street was formerly posted as a 55 MPH speed zone and to this day, motorists still drive at excessive speeds. This section of Genesee Street consists of 6 intersections and three traffic signals. One of the intersections is the City's largest intersection and consists of two state highways State Route 5 and State Route 365A with a left turn lane on all four sides. This section of the roadway also consists of an entrance to Walmart and an ambulance entrance to Oneida Healthcare hospital. Additionally, there are a combination of several businesses and residential housing with driveway entrances and exits within this area of the roadway.

Genesee Street (State Route 5) is a major thoroughfare in central New York making this road a necessary route of travel between Counties and local municipalities. Due to this particular situation in Madison County, State Route 5 in the city of Oneida is heavily traveled by both local and commuter traffic. This section of Genesee Street is a major travel route for commuters both coming and going from the two large cities of Syracuse and Utica. State Route 5 traveling through the city of Oneida stretches from the Oneida county line near old Glenwood Avenue on the East, to the Village of Wampsville on the west. This section of Genesee Street (State Route 5) within the city of Oneida is approximately 3.2 miles in length overall.

- 2. What is/are the primary contributing factor(s) causing these crashes?**

The most abundant contributing factors for this location were following too closely: 11 (21.5%), Driver inattention / distraction: 9 (17.6%), and Backing unsafely: 7 (13.7%) with additional contributing factors such as turning improperly, failure to yield the right of way, and unsafe lane changing.

Along with other factors such as texting/cell phone usage and speed, which are not accounted for as contributing factors in this area can be casually related to following too closely and failure to yield right of way.

- 3. When are these crashes occurring (time of day, day of week)?**

For this location of concern, it appears the most prevalent days of crashes are on weekdays between Wednesday through Friday, between the hours of 1100 hrs. and 1700 hrs. This is most likely due to the heavy traffic commute to and from work by motorists traveling through the City of Oneida to the Cities of Utica and Syracuse. Thursday has the highest percentage at (27.4%), Monday is the second highest at (19.6%), Friday is the third highest at (17.6%), and Wednesday is a close fourth highest at (15.6%).

- 4. Enforcement Strategy: How will you deploy agency resources to address this problem?**

This section of roadway is highly congested. The strategy will be to deploy both plain clothes spotter details and marked roving units.

Plain clothes spotters will be used to radio awaiting marked patrol cars to make stops for driver education and VTL enforcement. These details will be deployed based on crash data on Monday, Thursday, and Fridays. The concentrated time frame will be between 11:00 am and 1900 hrs. Because the highest contributing factor within that time frame is driver inattention/distraction, underlying VTL infractions such as texting/cell phone usage will also be strictly enforced.

This agency will also deploy marked cars in the area during portions of traffic enforcement which are assigned roving patrol duty as a general deterrence with enforcement and education action responsibilities. This saturation type deployment with increased visibility will help to deter violations.

Also, being that this is a State highway we will look to work with State DOT to employ signage in the area with warnings of "congested area, be alert" signs to further serve as a deterrent for following too closely or any other underlying contributing factors.

The City of Oneida will focus on Location 1 mainly during the months of January, December, May and June, with a main focus on distracted and/or aggressive driving.

**5. The overarching mission of the PTS grant program is to reduce crashes, especially personal injury and fatal crashes. Provide your agency's crash reduction goal for this location in a percentage or total number.**

The City of Oneida would like to achieve an overall crash reduction of about 5% for the entire City. Overall the City would like to see a reduction of 12 crashes minimum, 4 at each location.

A crash reduction of 4 crashes at location 1 would be an overall 7.84% reduction.

## **Location 2**

**1. Please name/identify the specific location where crashes are occurring in your jurisdiction. Provide details. A location could be any crash hotspot within your jurisdiction like an intersection or corridor. Parking lots and special events are not acceptable locations. If you are unclear about whether your location qualifies, please contact your Highway Safety Program Representative for guidance.**

The second specific location is the eastern half of Genesee Street (St. Rt. 5) between Seneca Street and Main Street (St. Rt. 46). Between October 1, 2022 and September 30, 2023, 87 of the City's reportable crashes (27.9%) occurred on Genesee Street (State Route 5). For the focus of this data report, 30 of those crashes (9.6%) occurred in my second target zone. In this target zone 7 of those crashes (2.25%) involved injuries. This section of Genesee Street is straight and level with several businesses that have driveways that enter from and exit to Genesee Street. There are three major intersections with traffic signals. It consists of three lanes: one eastbound lane, one westbound lane, and a left/right turn median lane. Location #2 is approximately 2,716 feet in length and is a posted 35 MPH zone. There are several fast food and shopping locations that are visited by several commuters traveling through the City of Oneida and those looking for lunch during their busy work days. This area of Genesee Street offers many ideal locations for a marked unit to sit for observation of vehicle and traffic law violations posing a risk to the safety of motorists traveling through the City.

**2. What is/are the primary contributing factor(s) causing these crashes?**

The most abundant contributing factors for this location were following too closely: 9 (30%), Driver inattention / distraction: 7 (23.3%), Failure to yield right of way: 6 (20%) and backing unsafely 3 (10%), with additional contributing factors such as turning improperly, disobey a traffic control device, and unsafe lane changing.

Along with other factors such as texting/cell phone usage and speed, which are not accounted for as contributing factors in this area can be casually related to following too closely and failure to yield right of way.

**3. When are these crashes occurring (time of day, day of week)?**

For target zone number 2, it appears the most prevalent days of crashes are on weekdays between Wednesday through Friday, between the hours of 1000 hrs. and 1500 hrs. This is most likely due to the heavy traffic commute to and from work by motorists traveling through the City of Oneida to the Cities of Utica and Syracuse and the lunch hour rush. Thursday has the highest percentage at (50%), Wednesday is the second highest at (20%), and both Friday and Tuesday are the third highest at an equal (10%).

**4. Enforcement Strategy: How will you deploy agency resources to address this problem?**

This section of roadway is highly congested. The strategy will also be to deploy both plain clothes spotter details and marked roving units.

Plain clothes spotters will be used to radio awaiting marked patrol cars to make stops for driver education and VTL enforcement. These details will be deployed based on crash data on Thursday, Wednesdays, and Fridays. The concentrated time frame will be between 11:00 am and 1900 hrs. Because the highest contributing factors within that time frame are Following too closely and driver inattention/distraction, underlying VTL infractions

such as texting/cell phone usage will also be strictly enforced.

This agency will also deploy marked cars in the area during portions of traffic enforcement which are assigned roving patrol duty as a general deterrence with enforcement and education action responsibilities. This saturation type deployment with increased visibility will help to deter violations.

Also, being that this is a State highway we will look to work with State DOT to employ signage in the area with warnings of "congested area, be alert" signs to further serve as a deterrent for following too closely or any other underlying contributing factors.

The City of Oneida will focus on Location 2 mainly during the months of March, June, July and August, with a main focus on distracted and/or aggressive driving.

**5. The overarching mission of the PTS grant program is to reduce crashes, especially personal injury and fatal crashes. Provide your agency's crash reduction goal for this location in a percentage or total number.**

The City of Oneida would like to achieve an overall crash reduction of about 5% for the entire City. Overall the City would like to see a reduction of 12 crashes minimum, 4 at each location.

A crash reduction of 4 crashes at location 2 would be an overall 13.33% reduction.

### **Location 3**

**1. Please name/identify the specific location where crashes are occurring in your jurisdiction. Provide details. A location could be any crash hotspot within your jurisdiction like an intersection or corridor. Parking lots and special events are not acceptable locations. If you are unclear about whether your location qualifies, please contact your Highway Safety Program Representative for guidance.**

The third location of concern is Main Street (State Route 46). The Oneida City police department would like to focus on the entire section of Main Street, from the City line at N. Lake Street to Genesee Street (State Route 5). The total distance of this portion of Main Street is 2.81 miles in length and is straight and level. This roadway is the City's most heavily traveled road in the City's downtown district and continues both north and south through residential areas. This roadway furthermore runs parallel to North Broad Street Elementary School and several children cross the roadway as they come and go from the school and playground. Also on this roadway is a main crosswalk for pedestrians to enter and exit from Veteran's field where children swim in the City owned swimming pool, play on the playground, and utilize the softball and football fields. This area is utilized almost all year long. There is a slight hill that comes downward in a southern direction from Monahan Place which is only 1,056 feet away from the entrance to Veteran's field. As motorists approach Monahan Place southbound, traveling towards the park, they have to reduce their speed from the posted 55 MPH speed zone to the reduced speed zone of 30 MPH. Several motorists continue traveling at a high rate of speed down the hill as they approach the crosswalk and entrance to Veteran's field.

This area is always a safety concern for the City of Oneida and highly targeted by our police department to keep pedestrians safe.

In total 32 of the City's 323 total crashes have occurred within this section of roadway in 2023 and 8 involved injuries.

The total number of accidents from the year prior in this area appears drastically higher including the number of those injured from 1 in 2022 to 8 in 2023.

**2. What is/are the primary contributing factor(s) causing these crashes?**

The most abundant contributing factors for this location were Driver inattention / distraction: 11 (34%), Following too closely: 6 (18.7%), Failure to yield right of way: 4 (12.5%), with additional contributing factors such as turning improperly, disobey a traffic control device, and unsafe backing.

Along with other factors such as texting/cell phone usage and speed, which are not accounted for as contributing factors in this area can be casually related to following too closely and failure to yield right of way.

### 3. When are these crashes occurring (time of day, day of week)?

For this location of concern, it appears the most prevalent days of crashes are on weekdays between Tuesday through Thursday, between the hours of 1000 hrs. and 1700 hrs. This is most likely due to the heavy traffic commute to and from work by motorists traveling through the City of Oneida as well as employees commuting to Downtown offices. Thursday has the highest percentage at (21.8%), Tuesday is the second highest at (15.6%), Wednesday is the third highest at (12.5%).

### 4. Enforcement Strategy: How will you deploy agency resources to address this problem?

This section of roadway is a combination of small businesses, professional offices, and residential buildings. It also contains access ways to North Broad Elementary school and a very popular park and municipal swimming pool. At times it can be highly congested and have several citizens walking to and from the park. The strategy will be to deploy both plain clothes spotter details and highly visible marked roving units.

Plain clothes spotters will be used to radio awaiting marked patrol cars to make stops for driver education and VTL enforcement. These details will be deployed based on crash data on Thursday, Wednesdays, and Tuesdays. The concentrated time frame will be between 11:00 am and 1900 hrs. Because the highest contributing factors within that time frame are driver inattention/distraction and Following too closely, underlying VTL infractions such as texting/cell phone usage will also be strictly enforced.

This agency will also deploy marked cars in the area during portions of traffic enforcement which are assigned roving patrol duty as a general deterrence with enforcement and education action responsibilities. This saturation type deployment with increased visibility will help to deter violations.

Also, being that this is a State highway we will look to work with State DOT to employ signage in the area with warnings of "congested area, be alert" signs to further serve as a deterrent for following too closely or any other underlying contributing factors.

The City of Oneida will focus on Location 3 mainly during the months of January, April, May, June, July and August, with a main focus on distracted and/or aggressive driving.

### 5. The overarching mission of the PTS grant program is to reduce crashes, especially personal injury and fatal crashes. Provide your agency's crash reduction goal for this location in a percentage or total number.

The City of Oneida would like to achieve an overall crash reduction of about 5% for the entire City. Overall the City would like to see a reduction of 12 crashes minimum, 4 at each location.

A crash reduction of 4 crashes at location 3 would be an overall 12.50% reduction.

Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Contract shall be governed by Article 11-B of the State Finance Law.
4. Contractor must provide complete and accurate billing invoices to the State in order to receive payment. However, the State may, in its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. The State may require the Contractor to submit billing invoices electronically.
5. The Contractor shall submit documentation to support its claims for payment pursuant to this Contract. All supporting documentation must be completed and provided in a manner satisfactory and acceptable to the State Agency in order for the Contractor to be eligible for payment.
6. 7. If travel expenses are an approved expenditure under the Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out- of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.
8. The State reserves the right to withhold up to fifteen percent (15%) of the total amount of the Contract as security for the faithful completion of services or work, as applicable, under the Contract. This amount may be withheld in whole or in part from any single payment or combination of payments otherwise due under the Contract. In the event that such withheld funds are insufficient to satisfy Contractor's obligations to the State, the State may pursue all available remedies, including the right of setoff and recoupment.
9. All vouchers must be submitted by the Contractor no later than thirty (30) calendar days after the end date of the period for which reimbursement is claimed. 10. All obligations must be incurred prior to the end date of the contract. The final claim of the contract term shall be submitted to the State Agency up to ninety (90) calendar days after the contract end date to make final expenditures if this contract is State Funded. 11. The State shall not be liable for payments on the Contract if it is made pursuant to a Community Projects Fund appropriation if insufficient monies are available pursuant to Section 99-d of the State Finance Law.

12. The Contractor may be required to submit a Consolidated Fiscal Reporting System (“CFR”). The CFR is a standardized electronic reporting method accepted by State agencies, consisting of schedules which, in different combinations, capture financial information for budgets, quarterly and/or mid-year claims, an annual cost report, and a final claim. The CFR, which must be submitted annually, is both a year-end cost report and a year-end claiming document. For New York City contractors, the due date shall be May 1 of each year; for Upstate and Long Island contractors, the due date shall be November 1 of each year.

## **B. Advance Payments and Claiming Requirements:**

#### **E. Special Payment and Reporting Provisions**

##### **Claims for Reimbursement:**

This is a reimbursement program. Grant recipients incur the costs of the project according to their approved budget and then submit a request for reimbursement to the GTSC.

Claim for payment reimbursement requests must be for exact expenditures. The Buckle Up New York (BUNY), Click It or Ticket (CIOT) seat belt enforcement mobilization claim must be submitted within 30 days after the end of the mobilization period. The Buckle Up New York (BUNY), Click It or Ticket (CIOT) seat belt mobilization claim cannot be paid until the associated progress report is submitted in eGrants. All other claims for this project must be submitted on a quarterly basis. Payment is issued through the New York State Comptroller's Office. All costs must be documented and the claim for payment reimbursement request must be submitted through the eGrants system. The Claim for Payment form with an original signature and all supporting documentation described in the Claim for Payment Instruction Guide must be uploaded in eGrants in the attachments section of the claim. The claim for payment reimbursement request must be submitted through the eGrants system with all required documentation by the due dates listed in this Attachment D (Payment and Reporting).

The deadline for submitting a final claim for payment reimbursement request for all costs incurred during the grant year, October 1 to September 30, is October 30. The claim for payment reimbursement request must be submitted through the eGrants system, and the signed and dated Claim for Payment form with supporting documentation must be uploaded in eGrants in the attachments section of the claim by October 30. The National Highway Traffic Safety Administration (NHTSA) will not reimburse late claims. While we do not intend that costs go un-reimbursed, grantees must claim costs promptly or be subject to non- reimbursement.

Reimbursement and documentation requirements are outlined in the GTSC's Claim for Payment Instruction Guide, which is available on the New York State Governor's Traffic Safety Committee website at <https://trafficsafety.ny.gov/highway-safety-grant-program>. Contractors must read this instruction guide prior to initiating grant activity.

##### **Reports:**

This Attachment D (Payment and Reporting) outlines the reporting requirements for this project. If an agency did not conduct grant funded activity during the reporting period, a progress report stating so is still required. Progress reports are submitted through the eGrants system. The GTSC may request agencies to participate in special enforcement activities or statewide mobilizations and may provide a format to report these activities outside of the regular reporting format. This reporting would be in **addition** to the reports outlined in Attachment D.

The Buckle Up New York (BUNY), Click It or Ticket (CIOT) seat belt enforcement mobilization report is due on June 15, 2025, two weeks after the conclusion of the Click It or Ticket seat belt enforcement mobilization. Claims for payment for Click It or Ticket enforcement cannot be submitted in eGrants until the associated

progress report is submitted.

The GTSC's Instruction Guide for Grant Modifications, Payment Requests and Progress Reports provides step-by-step instructions on how to initiate and submit a claim for reimbursement and /or progress report through the eGrants system. This guide is available on the New York State Governor's Traffic Safety Committee website at <https://trafficsafety.ny.gov/highway-safety-grant-program>.
