CITY NEWS

Name the Snowplow!

The City's beloved sidewalk snowplow needs a name. Between February 29 and March 15, we will be accepting nominations for a name to be painted on the sidewalk plow. The plow, which is specially designed to clear sidewalks, operates primarily on Lenox Avenue, Seneca Street, Main Street, and Broad Street. It only comes out after city streets are plowed and only on workdays during regular working hours, so we still rely heavily on responsible property owners to clear the sidewalks in front of their property.
