

City of Oneida Parks and Recreation  
**Mt. Hope Reservoir**  
 1222 Mount Hope Avenue, Oneida, NY

Mt. Hope Reservoir features 64 acres of land for fishing, hiking, mountain biking, cross country skiing, and camping (permit required).

The loop around the lower reservoir is approximately 1 mile. The upper reservoir loop trail features uniquely different woodlands on each side.

The reservoir served as the original source of water for drinking, fire protection, and industrial needs for Oneida and is listed on the National and State Register of Historic Places.
