Chairperson Fred Meyers & Board Members,

To be added into the record, an additional 63 signatures, making the total signatures on record to be 198. Including the 10 signed objection letters from abutting property owners, also on the record, objecting to the Proposed Wind Turbine project on Brewer Rd.

I've cropped pages to fit into one email, but all 63 signatures are showing. Have the originals in hand, if you want those instead.
